## hints & recommendations

seamless cladding around corners

**Hint.** the same principals apply when cladding onto custom mdf walls

## hints & recommendations

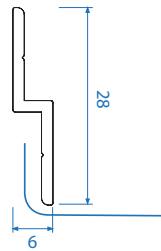

SS103 corner spacer bracket

# SS105A single sided niche ReFrame®

## applications

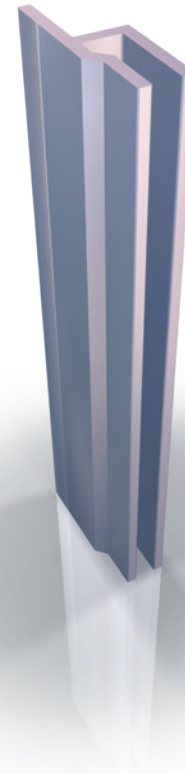

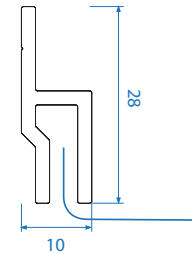

- Permanent mounting into a cavity
- Ideal to retro-fit existing lightbox

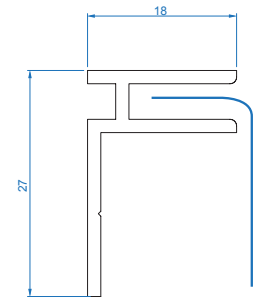

# M1614

## applications

- Permanent mounting into a cavity
- Ideal to retro-fit existing lightbox

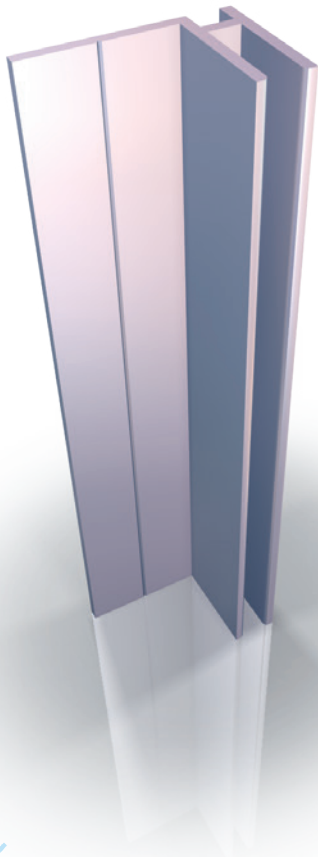

# SS106A **single sided ReFrame®**

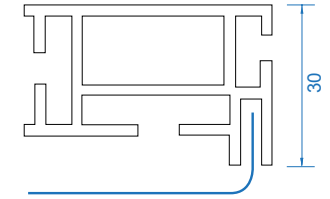

## applications

- Low cost frame for permanent installation
- Must be secured into position

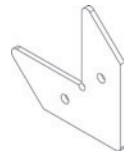

# SS108 single sided ReFrame®

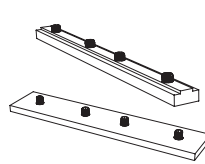

## applications

- Large free standing ReFrames®
- Ideal for sectional ReFrames®
