

# market umbrellas

## product information sheet

**Market Umbrellas can completely change the ambiance of your outdoor area, providing instant shade and custom branding to communicate your message.**

AFI's Market Umbrella's are built with a strong 48mm centre post with thick aluminium struts for reinforced strength. With a broad surface area for custom branding, and the inclusion of the 200mm valance on each side, AFI's Market Umbrellas are an effective and functional branding solution.
